

PACRPC Texstyle

Department Vision

To be recognised as Centre of Excellence in preparing students job-ready in the field of Textile Technology.

Department Mission

- To impart first-rate technical knowledge and skill by adopting best teaching practices with adequate infrastructure.
- To promote linkage with industry for offering industry supported electives and In-plant training.
- To encourage students' participation in co-curricular, extra-curricular activities and impart moral values.

The objectives of Textile department are to

- Prepare the diploma students with employability skills
- Motivate the students to pursue higher education
- Inculcate the entrepreneurship skills among the students
- Mould the students with professional background and ethical values.

About the textile department:

- In 2018-19, 49 students are admitted in first year with 10th standard qualification and 17 students in 2nd year as lateral entry with +2 qualification.
- We were placed in the "Platinum" category by the "AICTE-CII Survey Industry-Linked Technical Institutes" conducted for the years 2018–19.
- Every year, the autonomous syllabus of our department is reviewed by Programme Advisory Committee (PAC) which includes industry experts and submitted for approval by academic board. In 2018-19, PAC meeting was conducted on 27.06.2018.
- The pass percentage of textile students in the autonomous examination for the academic year 2018–19 are as follows:

October 2018	April 2018
3rd Semester : 75%	4th Semester : 77%
5th Semester : 82%	6th Semester : 91%

Highlights of departmental activities

- Total no. of guest lectures organised : 9
- Total no. of industrial visits organised : 9
- Total no. of group activities organised : 4
- Total no. of workshops organised : 2
- % of students placed : 100%
- 1991-94 batch alumni of our polytechnic celebrated Silver Jubilee re-union function on 25.05.2019 at our campus, in which 20 textile alumni members have participated.

Outstanding Achiever Award for Textile Alumni
