PACR TECHFEST 2016

On behalf of IE(I) and ISTE Chapters every year, we organize state level contest for the benefit of students. This year also PACR TECHFEST 2016 was conducted. Software based "3D Modeling" contest was organized in our department. Students from various polytechnics in Tamil Nadu participated in this event. The winners were awarded cash prizes and certificates.

Students participating in the 3D modeling contest conducted on 22nd January 2016.
